

Health AI Championship

Powered by Yale New Haven Health

The Health AI Championship is a competition that challenges innovators at health systems in Connecticut to develop transformative applications of artificial intelligence in healthcare. Bringing together leaders from health systems, academia, and technology, the event fosters collaboration and innovation to address critical healthcare challenges. Participants will compete for awards of up to \$100,000, driving forward groundbreaking ideas and shaping the future of health AI.

What is this competition?

The Health AI Championship invites innovators in the region to tackle critical healthcare challenges using AI.
